Divine Mother Says, "The most effective force that brings about dissolution of the mind is devotion. Devotion is the single minded approach to a sublime ideal. When dissipated mental waves are made to converge into a focal point, namely the ideal of devotion, the mind will lose itself in the ideal. This focal point should be Sadguru's Lotus Feet."

May universal peace reign Supreme all over, is our soulful prayer at the Lotus Feet of Divine Mother, Devi Sree Ramambika.

With affectionate regards,
Yours in the Cause of Mission,

(A.M. DEVAIAH)
SECRETARY
