## MAHAMANTRA JAPA YAJNA

**June 6th (the sacred Ashwini day) to July 23rd,  
(the eve of Sree Guru poornima day)**

### **Heartfelt thanks to beloved Divine Mother !**

Amazing and heartening success of The nine days of Mahamantra Japa Yajna - Koti Archana has given a momentum for higher degree of Sadhana in the lives of many devotees of Divine Mother. The chanting of Mahamantra has become a passion to many young children of the Divine Mother.

---

The Divine Mother's message which can help us to maintain this zeal and enthusiasm in Sadhana has been sent by Sri A. M. Devaiah, Secretary, Rama Sakti Mission (Message was published in the first issue of 'Shanti Deepam', January, 1968).

Divine Mother says, " *When your mind attains the state of exalted 'satwa shuddhi' through meditation, surrender and constant NAMA JAPA, you will know and realise that the Mother whom you worship and love in the visible form now, is the very Self, divine ground of your own personality. You will know that the ego is an illusive formation and that apart from Mother you have no independent existence; emotionally and intellectually you will have a deeper sense of belonging to Mother and Mother alone. That will be the state of spontaneous surrender, the state of a GOD-CONSCIOUS SOUL.*"

Probably the achievement of this state is the " the most appropriate Guru Dakshina" which Divine Mother, our Parama Guru, expects from us, Her disciples and children.

To tread baby steps in this path shown by Divine Mother we have a golden opportunity.

On 24 th July sacred Guru Poornima is celebrated in Shaktinagar. 6 th June is sacred Ashwini day. Between 6th June and 23 rd July (48 th day, which is considered as the culminating day of Mandalam from 6th June , Ashwini) we have a series of important days of spiritual significance. The days are:
